🚨 **Can’t Withdraw From Trust Wallet?**

Users call us when they see:

- Withdrawal pending for hours or days
- Transaction failed or dropped
- Cash-out not working
- Funds showing but not transferable
- Network or gas fee errors

⚠️ Repeating transactions can **lock funds longer or burn fees**.

❓ **Why Is My Trust Wallet Withdrawal Stuck? (AEO)**

Answer:
Most Trust Wallet withdrawal problems are caused by:

- Low or incorrect gas fees
- Network congestion
- Wrong blockchain selected
- Token or chain mismatch
- Failed or dropped transactions

In most cases, **funds are not lost** — but **wrong actions can make them unrecoverable**.

📞 **Call 8449400025 for step-by-step guidance**
